5. As appropriate, the Faculty Assembly President will consult with the Chair of the Elections Committee to ensure smooth functioning.
6. By the end of the sixth week of classes of the spring semester, the Elections Committee shall establish an election timeline consistent with the procedure described below.
7. By the beginning of the ninth week of classes of the spring semester, the Elections Committee shall put out a call for nominations to the members of the Faculty Assembly. The nomination period lasts approximately two (2) weeks while classes are in session. If at one (1) week from the close of nominations there are no more *bona fide* candidates than the number of seats for a particular position to be filled, the candidate(s) shall be declared winner(s) by the Elections Committee and no election for such position(s) shall be held. Any process noted here may be done through automated or electronic means.

In the race for positions on the FA Executive Committee, a single paper or electronic ballot shall list all candidates. All ballots shall be returned either in person, via campus mail, or electronically to the chair of the Elections Committee or designee according to the election timeline. Votes for candidates who are not listed on the official ballot shall not be counted or considered.
12. After the deadline for submission of ballots according to the timeline established by the Elections Committee, the Elections Committee shall count the ballots. Ballot counting may be done through automated means using appropriate technology.

In the case of this request, each candidate in that race may be present during the recount and may inspect the Elections Committee security for the paper or electronic ballots. In the case of a mistake in counting the votes or a breach of security, the Elections Committee may amend the results of the election to declare the candidate who received the verified majority of the votes cast to be elected or may conduct a new paper or electronic ballot if a security breach compromised the results of the election.
14. Vacancies
 - a. Vacancies on the Executive Committee due to health issues, sabbatical leave, or unbanking that occur for a single semester or less may be filled by appointment by the remaining members of the Executive Committee and confirmed by a majority vote of the FA Council.

 - c. Those vacancies that occur while more than half of the term is unserved, or a vacancy in the office of FA President, shall be filled by special election using the same process as for the general election as described above, but with an adjusted timeline as determined by the Elections Committee. Once the ballots are tabulated and the winner with the most votes declared, the winner shall take office immediately.

- d. If the Faculty Assembly President resigns and the Immediate Past President position is vacant, then, if able, the resigning president serves as Immediate Past President until May 31st of that academic year.

Section B: Recall of Faculty Assembly Executive Committee Officers

A separate petition is required for each officer being recalled. A recall may not be held if three months or less remain in the officer's term.
2. If a valid petition is received, the Elections Committee shall establish a nominations period of no less than two weeks and issue a call for nominees. If no one accepts a recall nomination, then no recall shall be held.

The ballot shall contain two questions per officer subject to recall: (1) "Shall [name of officer] be recalled"; and (2) "If [name of officer] is successfully recalled, which of the following candidates should replace them"? All ballots shall be returned either in person, via campus mail, or electronically to the chair of the Elections Committee or designee within five class days.
4. If a majority (50% +1 vote) of votes cast are in favor of the recall, the candidate receiving the majority of the votes cast for the replacement shall be declared the winner.
5. If there is no majority in the initial balloting, within a week, a runoff election shall be held between the two candidates who received the highest number of votes. The person who receives the majority of votes cast in the runoff shall be declared the winner.
6. The winning candidate shall serve for the remainder of the recalled officer's term, effective immediately on declaration of a winner by the Elections Committee.
